

**GLA 31: North End Pit, Recommended RIGS**

London Borough of Bexley, TQ 51380 77030

Ownership: Local Authority. Site is in a new housing estate.

A rare exposure of [brickearth](#) is located at the western end of a post war housing estate built on the site of the original brickworks. Bexley council have plans to rebuild the estate with the new layout providing for better access. The exposure is presently fenced off, overgrown and has some dumped rubbish.
